The diagram illustrates the 2019 All Japan High School Baseball Championship tournament. It features 48 teams from various prefectures and the National Institute of Advanced Industrial Science and Technology (NAIST). The tournament is structured as a single-elimination bracket, with rounds labeled T1 through T4. The left half of the bracket leads to the final game, which is scheduled for September 1st at the National Stadium in Tokyo. The right half of the bracket leads to the final game, which is scheduled for September 1st at the National Stadium in Tokyo. The diagram includes team names, their respective prefectures, and the names of the venues for each round. The final game is scheduled for September 1st at the National Stadium in Tokyo.
